

Connecting The Giving Block to monday.com

STEP 1

Subscribe to The Giving Block.

Not yet a client of The Giving Block? Subscribe here.

STEP 2

Get access to the public API of The Giving Block.

If you are a current client of The Giving Block, please **fill out this form** to receive your public API user credentials. You'll receive access within 1-2 business days via SendSafely. The email will contain a link that will prompt you to confirm your email address. After confirming, you will be presented with a text file to download, called **Credentials.txt**. This will contain your login and password to connect The Giving Block's app to monday.com.

STEP 3

Install The Giving Block integration app to your monday.com board.

Open your monday.com board and click on **Integrate** button:

Type **The Giving Block** in the search field. The Giving Block app will appear in search results. Click on it.

When you click on The Giving Block app, you will see a list of available recipes. Click the **Add to Board** button to install it.

STEP 4

Authenticate to The Giving Block

Use the login and password provided by The Giving Block via SendSafely.

Continue					

STEP 5

Configure integration recipe.

To configure the integration recipe, select the board on which you want to see crypto donations.

Click on **Item** to configure mapping of fields from The Giving Block to your monday.com board:

•	Group	Donations	
Tr	r Name	Donation ID × Add text	
	Status	Status × Add text	
1		The status column is limited to 40 unique labels. Any additional labels will be visible but not functional in the platform	
<u>i</u> T	T Donor	Add text	
Tr	T Anonymous	Add text 💿	
T	r Text	Add text	
4- ×=	Gross Amount	Amount ×	
£) Item Update	Add text	
		Cancel Done	

Click the **Add to Board** button. Your integration will be displayed in Active integrations on this board:

When a crypto donation is made and converted to USD, a new item will be created on the selected monday.com board.
